NOTICE OF ANNUAL GENERAL MEETING 2021

Notice is hereby given that the Annual General Meeting (the "AGM") of Savannah Energy PLC ("Savannah" or the "Company") will be held on Wednesday 30 June 2021 at 10.30 am at 40 Bank Street, London, E14 5NR, to consider and, if thought fit, to pass resolutions 1 to 6.

Your attention is drawn to the letter from the Chairman of the Company on page 2 of this document. The letter explains that, due to the expected restrictions on indoor gatherings applicable at the time of the AGM, Shareholders may not be permitted to attend the physical venue of the AGM in person or, if attendance at the venue is permissible at the relevant time, it is likely to be restricted in terms of numbers. Shareholders are therefore strongly encouraged not to attend the AGM in person, but instead to submit a proxy vote in advance of the Meeting and to appoint the Chairman of the Meeting as their proxy.

 Sir Stephen O'Brien (Non-Executive Vice Chairman)

4 June 2021

Dear Shareholder,

Annual General Meeting 2021

The Company's Annual General Meeting (the "AGM" or the "Meeting") will be held on 30 June 2021 at 10.30 a.m. at 40 Bank Street, London, E14 5NR. The formal notice convening the AGM (the "Notice of AGM" or "Notice") on pages 5 and 6 of this document sets out the business to be considered at the Meeting. The purpose of this letter is to explain certain elements of that business to you.

Impact of Covid-19 on the AGM

The Company continues to monitor developments relating to the current outbreak of Covid-19, including the related public health guidance and legislation issued by the UK Government.

At the time of publication of this Notice, it is expected that there may still be restrictions on our ability to host Shareholders at our AGM on 30 June 2021. Due to the expected restrictions on indoor gatherings applicable at that time, Shareholders may not be permitted to attend the physical location for the AGM in person or, if attendance at the venue is permissible at the relevant time, it is likely to be very limited in terms of numbers.

We therefore strongly recommend that Shareholders do not attend the AGM in person and instead appoint the Chairman of the Meeting to act as their proxy (as a named proxy other than the Chairman risks not being allowed to attend the Meeting).

If, despite this recommendation, any Shareholders or their proxies (other than the Chairman) still intend to attend the Meeting in person, they are strongly encouraged to advise the Company at least 48 hours in advance of the Meeting by emailing ir@savannah-energy.com or by telephoning +44 (0) 20 3817 9844. The making of any such communication will not guarantee admittance to the AGM, if the Board considers that such admittance would be in breach of rules governing public gatherings and/or the need to protect the health and safety of those already in the Meeting.

The Board considered carefully whether to put arrangements in place to enable Shareholders to attend the AGM by virtual means. However, the Board believes that the financial and operational expenditure involved in providing a means of virtual attendance would be disproportionate and therefore it would not be in the best interests of the Company, and its Shareholders as a whole, to do so.

Whatever the format of the AGM, we will of course ensure that a quorum of Shareholders is present and that there is appropriate Board oversight of the process.

Shareholders are therefore strongly encouraged to submit a proxy vote appointing the Chairman, in advance of the Meeting. Details on how to submit your proxy vote online are set out below in the section of this Notice headed "Voting Arrangements – Action to be taken".

The AGM will be live streamed on the internet, accessible via the Company's website on www.savannah-energy.com. Those wishing to watch the Meeting should register their interest by completing the form at www.savannah-energy.com/investors/AGM before the close of trading on 25 June 2021. Shareholders watching the Meeting via this facility will not be counted in the quorum for the Meeting and will not be able to participate in the Meeting, including by voting or asking questions, on the day.

Nevertheless, the Board recognises the importance of the AGM as an opportunity for Shareholders to engage with the Directors and, accordingly, if you are a Shareholder and you wish to submit a question in relation to the business of the AGM, please send your question by completing the form at www.savannah-energy.com/investors/AGM before the close of trading on 25 June 2021; in the form please include your name and how you hold your shares. The Board will attempt to answer as many of these questions as possible during the Meeting.

This situation is constantly evolving, and the UK Government may change current restrictions or implement further measures relating to the holding of Shareholder meetings during the affected period. Any changes to the AGM (including any change to the location of the AGM) will be communicated to Shareholders before the Meeting through our website at www.savannah-energy.com and, where appropriate, by announcement through a regulatory information service.

Voting Arrangements – Action to be taken

All resolutions for consideration at the AGM will be voted on by way of a poll, rather than a show of hands. This means that Shareholders will have one vote for each Ordinary Share held. The Company believes this will result in a more accurate reflection of the views of Shareholders by ensuring that every vote is recognised, including the votes of all Shareholders who are unable to attend the Meeting but who have appointed the Chairman as their proxy for the Meeting.

Shareholders entitled to appoint a proxy should have received a Form of Proxy with this Notice. This may be used to appoint a proxy and give proxy instructions. If you do not have a Form of Proxy and believe that you should have one, or if you require additional forms, please contact the Company's Registrar using the contact details set out in Note 3 on page 7 of this document.

To be valid, any Form of Proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand by the Company's Registrar at the address shown on the Form of Proxy or, in the case of shares held through CREST, via the CREST system as explained in Note 11 on page 8. Alternatively, a duly completed Form of Proxy may be scanned and sent by email to externalproxyqueries@computershare.co.uk.

In order to be valid, a Form of Proxy must be received by 10.30 a.m. on 28 June 2021. If you hold your shares through a nominee service, please contact the nominee service provider regarding the process for appointing a proxy. Any Shareholder or a proxy of a Shareholder (other than the Chairman of the Meeting) that attempts to attend the AGM risks being refused entry for the reasons set out above (under "Impact of Covid-19 on the AGM").

Business of the Meeting

An explanation of each of the resolutions to be proposed at the AGM is set out below. Resolutions 1 to 4 will be proposed as ordinary resolutions; this means that for each of those ordinary resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 5 and 6 will be proposed as special resolutions; this means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Ordinary resolutions

Resolution 1 – To receive the Annual Report and Accounts

The Directors are required to present the Strategic Report, Directors' Report and Auditor's Report and annual accounts of the Company to the Meeting. These are contained in the Company's Annual Report and financial statements for the period ended 31 December 2020.

Resolution 2 – To appoint BDO LLP as auditor of the Company

At each meeting at which the Company's annual accounts are laid before its Members, the Company is required to appoint an auditor to serve until the next such meeting. Following a tender for the appointment of an auditor in 2020, this resolution proposes the appointment of BDO LLP as auditor of the Company, to hold office until the conclusion of the next general meeting of the Company at which annual accounts are laid before its Members.

Resolution 3 – To authorise the Audit and Risk Committee to determine the remuneration of the auditor

This resolution gives authority to the Audit and Risk Committee to determine the auditor's remuneration.

Resolution 4 – To authorise the Directors to allot Ordinary Shares

The purpose of this resolution is to give the Directors powers to allot shares in place of the existing authority approved at the annual general meeting of the Company held on 29 June 2020, which expires at the end of the 2021 Annual General Meeting.

The authority in paragraph (a) of this resolution will provide the Directors with a general authority to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a nominal amount of £332,136.14, which is equal to approximately one-third of the issued share capital of the Company.

The authority in paragraph (b) of this resolution will grant the Directors additional authority to allot new shares and grant rights to subscribe for, or convert other securities into, shares only in connection with a rights issue up to a further nominal amount of £664,272.27, which is equal to approximately two-thirds of the issued share capital of the Company.

As at 4 June 2021, the Company did not hold any shares in treasury, being the latest practicable date before the publication of this Notice.

Annual General Meeting 2021 continued

To Savannah Energy PLC Shareholders

Ordinary resolutions continued

Resolution 4 – To authorise the Directors to allot Ordinary Shares continued

The extent of the authorities set out in this resolution follows the guidelines issued by UK institutional investors. The Directors have no present intention of exercising these authorities. However, the Directors believe it is in the best interests of the Company to have these authorities, to allow the Directors the maximum flexibility permitted by investor guidelines to respond to market developments at short notice.

These authorities are without prejudice to allotments made under previous authorities, and will only be valid until the earlier of the conclusion of the Company's next annual general meeting and 30 June 2022. It is the intention of the Directors to seek to renew this authority every year.

Special resolutions

Resolution 5 – To authorise the Directors to disapply pre-emption rights

Resolution 5, if passed, would allow the Directors to allot equity securities and sell treasury shares for cash: (i) under the authority granted under paragraph (b) of Resolution 4 to Ordinary Shareholders in proportion to their existing shareholdings and to holders of other equity securities as required by the rights of those securities or as the Directors consider necessary and to deal with, amongst other things, treasury shares, fractional entitlements and legal and practical problems in any territory, for example in the case of a rights issue or other similar share issue; and (ii) otherwise, up to an aggregate nominal amount of £298,922.52, which is equal to approximately 30% of the current issued share capital of the Company.

The Board considers that it is in the interests of Shareholders for the Company to have the authority to place new Ordinary Shares for cash without the application of pre-emption rights, subject to the limitations set out in resolutions 4 and 5. In these uncertain times, the Board considers it prudent to retain sufficient financial flexibility to be able to meet unanticipated challenges and to take advantage of market opportunities which may present themselves. The Board confirms that it has no current intention to place new Ordinary Shares for cash without the application of pre-emption rights.

These authorities are without prejudice to allotments made under previous authorities, and will only be valid until the earlier of the conclusion of the Company's next annual general meeting and 30 June 2022. It is the intention of the Directors to seek to renew these authorities every year.

Resolution 6 – To approve the purchase of the Company's own shares

This resolution would, if passed, authorise the Company to make market purchases of up to 149,361,621 of its own Ordinary Shares, representing 14.99% of the current issued share capital of the Company. This resolution specifies the minimum and maximum prices at which the Ordinary Shares may be bought under this authority. This authority will expire at the conclusion of the Company's next annual general meeting. It is the intention of the Directors to seek to renew this authority every year.

The Directors have no present intention to exercise the authority granted by this resolution, but the authority provides the flexibility to allow them to do so in future. The Directors would not exercise the authority unless they believed that the expected effect would promote the success of the Company for the benefit of its Shareholders as a whole. Any shares purchased would be effected by a purchase in the market and may either be cancelled or held as treasury shares, which may then be cancelled, sold for cash or used to meet the Company's obligations under any employee share scheme.

As at 4 June 2021, being the latest practicable date before the publication of this Notice, the Company did not hold any shares in treasury.

Recommendation

Full details of the above resolutions are contained in the Notice. The Directors believe that all the proposed resolutions to be considered at the AGM are in the best interests of the Company and its Members as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of all the resolutions, as they intend to do in respect of their own beneficial holdings.

Important Notes

The following notes explain your general rights as a Shareholder and your right to attend and vote at this AGM or appoint someone else on your behalf.

For the reasons stated earlier in this Notice, Shareholders are strongly discouraged from attempting to attend the AGM in person or from appointing a proxy other than the Chairman of the Meeting. The following notes should be read in that context.

Shareholders are therefore strongly encouraged to submit a proxy vote in advance of the AGM and to appoint the Chairman of the Meeting as their proxy.

1. To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes you may cast), you must be registered in the Register of Members of the Company at close of trading on 28 June 2021 (or, in the event of any adjournment, close of business on the date which is 48 hours before the time of the adjourned Meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting. There are no other procedures or requirements for Shareholders to comply with in order to attend and vote at the AGM.
2. It is the current intention that voting at the AGM will be conducted by way of a poll and not by a show of hands. The Company believes that a poll is more representative of Shareholders' voting intentions because Shareholder votes are counted according to the number of Ordinary Shares held and all votes tendered are taken into account.
3. If you are a Member at the time set out in Note 1 above, you are entitled to appoint a proxy to exercise all or part of your rights to attend, speak and vote at the Meeting and you should have received a Form of Proxy with this Notice. You can only appoint a proxy using the procedures set out in these notes and the notes to the Form of Proxy. If you do not have a Form of Proxy and believe that you should have one, or if you require additional forms, please contact the Company's Registrar using the contact details set out in Note 22 below. A proxy need not be a Member but must attend the Meeting to represent you. If you wish your proxy to speak on your behalf at the Meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.
4. You may appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to different Ordinary Shares. You may not appoint more than one proxy to exercise the rights attached to any one Ordinary Share. To appoint more than one proxy, please contact the Company's Registrar using the contact details set out in Note 22 below.
5. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
6. Any person to whom this Notice is sent who is a person nominated under Section 146 of the Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the Member by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Member as to the exercise of voting rights.
7. The statement of the rights of Shareholders in relation to the appointment of proxies in Notes 3, 5 and 10 do not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by Members of the Company.
8. The notes to the Form of Proxy explain how to direct your proxy on how to vote on each resolution or withhold their vote. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.
9. The return of a completed form of proxy, other such instrument or any CREST Proxy Instruction (as described in Note 12 below) will not prevent a Shareholder attending the AGM and voting in person if he/she wishes to do so.
10. To be valid, any Form of Proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company's Registrar at the address shown on the Form of Proxy or, in the case of shares held through CREST, via the CREST system (see Note 12 below). Alternatively, a duly completed Form of Proxy may be scanned and sent by email to externalproxyqueries@computershare.co.uk. In each case, for proxy appointments to be valid, they must be received no later than 10.30 a.m. on 28 June 2021. Electronic communication facilities are open to all Shareholders and those who use them will not be disadvantaged. If you return more than one proxy appointment, either by paper or electronic communication, the proxy appointment received last by the Company's Registrar before the latest time for the receipt of proxies will take precedence.

Important Notes continued

11. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM (and any adjournment of the AGM) by using the procedures described in the CREST Manual (available from <https://www.euroclear.com>). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
12. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuers' agent (ID 3RA50) by 10.30 a.m. on 28 June 2021. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuers' agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
13. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
14. In the case of a Member which is a company, the Form of Proxy must be executed under its common seal or signed on its behalf by an officer of the company or an attorney of the company. Any power of attorney or any other authority under which the Form of Proxy is signed (or a duly certified copy of such power or authority) must be included with the Form of Proxy.
15. Any corporation which is a Member may, by resolution of its directors or other governing body, appoint one or more corporate representatives who may exercise on its behalf all of its powers as a Member provided that no more than one corporate representative exercises powers in relation to the same shares. Corporate representatives should bring with them either an original or certified copy of the appropriate board resolution or an original letter confirming the appointment, provided it is on the corporation's letterhead and is signed by an authorised signatory and accompanied by evidence of the signatory's authority.
16. Under Section 527 of the Act, Shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Act. The Company may not require the Shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under Section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website.

The business which may be dealt with at the AGM includes any statement that the Company has been required under Section 527 of the Act to publish on a website.
17. Any Shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

18. Copies of the service contracts of the Executive Directors and the letters of appointment of the Chairman and Non-Executive Directors are available for inspection during normal business hours at the registered office of the Company and may also be inspected at the AGM venue for 15 minutes prior to and during the Meeting.
19. As at 4 June 2021 (being the last practicable business day prior to the publication of this Notice), the Company's ordinary issued share capital consists of 996,408,412 Ordinary Shares, carrying one vote each. No shares were held in treasury. Therefore, the total voting rights in the Company as at 4 June 2021 were 996,408,412.
20. Information regarding the Company's AGM can be found at www.savannah-energy.com.
21. You may not use any electronic address provided in either this Notice or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
22. Members who have general queries about the Meeting should call the Company's Registrar, Computershare Investor Services PLC, on 0370 707 1133 (or, if calling from outside the UK, on +44 (0) 370 707 1133). Calls are charged at the current national rate from within the UK plus network extras; lines are open 8.30 a.m.-5.30 p.m., Monday to Friday. Calls from outside the UK will be charged at the applicable international rate. Different charges may apply to calls made from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. Please note that Computershare Investor Services PLC cannot provide investment advice, nor advise you how to cast your vote on the resolutions.
