

23 July 2021

Savannah Energy PLC
("Savannah" or "the Company")

Retail Investor Webinar – Africa and the Energy Transition

Savannah Energy PLC, the African-focused British independent energy company sustainably developing high quality, high potential energy projects in Nigeria and Niger, is pleased to announce CEO Andrew Knott will be hosting a retail investor webinar on 29 July, 10:30-12:00 (BST) featuring a presentation and Q&A session with leading energy expert, Dr Richard Norris.

Dr Norris, who authored the Market Context section of the Savannah Energy 2020 Annual Report, will be presenting "Africa and the Energy Transition". He is a Fellow of the Canadian Global Affairs Institute and separately runs his own consultancy firm Pandreco Energy Advisors. Dr Norris is a leading author and speaker on the role of energy in society and economics and advises public and private bodies on macro strategy as well as on specific energy investments.

About Savannah Energy:

Savannah Energy PLC is an AIM market listed African-focused British independent energy company sustainably developing high quality, high potential energy projects in Nigeria and Niger, with a focus on delivering material long term returns for stakeholders. In Nigeria, the Company has controlling interests in the cash flow generative Uquo and Stubb Creek oil and gas fields, and the Accugas midstream business in South East Nigeria, which provides gas contributing to over 10% of Nigeria's

daily national average thermal power generation. In Niger, the Company has interests in two large PSC areas located in the highly oil prolific Agadem Rift Basin of South East Niger, where the Company has made five oil discoveries and seismically identified a large exploration prospect inventory, consisting of 146 exploration targets to be considered for potential future drilling activity.
